**Important Stuff...**

- Paid teams are accepted on a first-come, first-served basis. Teams that most recently played in Clarksville Parks & Recreation leagues will be given an entry preference (must be documented). If your team is not accepted in the league, a refund will be issued. If a team drops from the league before the league starts, a full refund will be issued if a replacement team can be found. No refunds will be issued after the league begins.
- After the league begins, the rosters/waivers will be kept in the score tower. Players' names may be **added** or **deleted** from the roster **before** the start of your **third game**.
- All players **MUST** sign the roster / waiver form prior to play, even if it is after the start of your third game. For example, if a player's name is added before the start of the third game, but they do not play until the last game, they must still sign the waiver before the game begins.
- Rosters are limited to 25 players and will be reviewed – only "E" players will be permitted to play in these recreational leagues.
- One umpire will be provided at each game.
- Rainout games will be made up at the end of the regular season, before the tournament begins. Revised schedules will be emailed to the manager and posted on our website.
- The above information is not a comprehensive set of rules. A complete set of rules will be emailed to the manager before the league begins.

Schedules and league standings will be emailed to the manager and will also be posted at [www.clarksvilleparks.com](http://www.clarksvilleparks.com).
